

A Fast & High-Volume Production Scanner

Features:

- Fast, 90 ppm / 180 ipm scanning in color, grayscale and monochrome (300 dpi)
- Support document up to A3 size (308 x 432 mm)
- Robust 150-page automatic document feeder
- Daily duty cycle of up to 20,000 sheets
- Auto crop and deskew a document with the advanced image processing unit to enhance the scanning speed
- Latest USB 3.1Gen1 connectivity for faster transmission speed
- Reverse roller technology delivers outstanding feeding reliability
- Hard and embossed card scanning up to 1.25 mm in thickness in landscape feeding
- Press and scan to cloud servers via the bundled software Button Manager V2
- Earth-friendly LED technology
- Long page scanning up to 6096mm (240")

A New Generation of A3 Production Scanner

Avision is pleased to announce its release of the high-volume document scanner with a robust 150-page auto document feeder and a blazing scanning speed of up to 90 pages per minute in Color, Grayscale, and Monochrome. Combining the ultrasonic double-feed detection capability, the AD6090 delivers exceptional feeding reliability to maximize your scanning productivity in a small unit.

A Large LCD Display

The AD6090 is easy to use through the clear 1.77" LCD display. By selecting your destination and pressing the "Scan" button, the scan can be done and the scanned image can be sent to your specified destination application such as e-mail, printer, or your favorable image-editing software application. Up to nine frequently used scan settings and destinations can be preset for different scanning needs.

Long Document Scanning

The AD6090 provides you a convenient feature to scan long-page document up to 240" (609.6 cm). This is a cost and time-saving solution for insurance company and healthcare institutions that need to digitize insurance bills and patient's records.

Dual-lamp Design to Handle Wrinkled Documents

Designed to handle even extreme applications, the AD6090 scanner is built-in with two long-lasting lamps. These mercury-free lamps give you maximum illumination to help eliminate shadows from wrinkled documents.

Plastic card or ID card uses the straight paper path

To provide scanner users with the most versatile scanning environments, the user has the choice to utilize a "U-Turn or Straight Paper Path". By opening the rear cover, users can use the straight path to transport paper direct to the rear of the unit. To utilize the straight paper path ensures high reliability with plastic card, ID card, thick, long paper, or more fragile documents.

What We Have Bundled

The AD6090 comes with TWAIN and ISIS drivers, and are bundled with a suite of powerful software applications that include Avision Button Manager V2, AVScan X.
