The lightweight portable scanner engineered for business.

The smallest and lightest mobile single-sheet-fed document scanner¹, the Epson DS-70 features fast speeds for busy professionals — scanning a single page in as fast as 5.5 seconds². This portable scanner accommodates documents up to 8.5" x 72", plus business/ID cards and receipts. Included OCR and document management software allows users to easily create editable text and searchable PDFs. No batteries or external power are required when the scanner is connected to a computer via the USB port. Compatible with both Windows[®] and Mac[®], the DS-70 is ideal for virtually any workspace. And, it's backed by a 3-year limited warranty³.

Model: B11B252202
